### ANNUAL REPORT.

### To the Members of the Y. M. M. L. A:

In obedience to the law directing the duties of the officers of your Association, your Board of Directors respectfully submit to your consideration its Annual Report for the year just ended.

### MEMBERSHIP.

The membership of the Association, though not stimulated as in past years by an active contest for its official positions, has maintained its usual members, indicating the high appreciation in which the Library is held by its patrons and friends.

The Annual Membership for the year 1888, was

During the year our worthy President, W. B. Carpenter, who has directed the affairs of the Library and the meetings of the Board with great fidelity and skill, became a perpetual member of the Association by the unanimous vote of the Board of Directors, and Harry F. Woods, A. T. A. Nelson, Robert L. Read, H. Hirschman and Capt. G. M. Stone, became life members, while W. B. Cassily and Caleb Jones, life members, died.

### TIMOTHY C. DAY FUND.

In pursuance of the terms upon which this trust is administered by the Association, it has yielded a fund with which 110 tickets of membership will be furnished the coming year to deserving youths attending our public schools.

### ENDOWMENT FUND.

\$950.00 has been added this year to the Endowment Fund. The total theretofore in this fund was \$31,013,23, making a present Endowment Fund of \$31,963,23.

The material affairs of this Library have prospered during the past year as all will perceive. Its income has exceeded its expenditure by \$2,026.64. It but needs the united action of all its generous friends to provide it with that ample revenue that will permit the largest exercise of its usefulness.

This report would be incomplete did it not contain reference to the faithful and intelligent services of the Association's Librarian, Mr. J. M. Newton, and his assistants Misses Alice McLean, C. R. Gaither and Mr. H. W. Bridge. To their patient and discriminating efforts much of the Library's utility is indebted. It is but necessary to speak of this to those who in daily use of the Library and Reading Room come in contact with them, and all are at once reminded of the unfailing kindness and courtesy and assistance of these devoted friends of the Library.

With affectionate regard for the interests of the Library and Association, the outgoing Board submits this report of its stewardship and saluting the Board which, by election, succeeds it, commends the Library to its care and wishes its administration abundent usefulness.

This report would be incomplete without reference to Association's Librarian Mr. J. M. Newton and his assistants Misses Alice McLean, Caroline R. Gaither and Mr. H. W. Bridge. To their patient and discriminating efforts much of the Library's utility is due. With affectionate regard for the interests of the Library and the Association the outgoing Board submits this report, salutes the Board which now succeeds it, commends the Library to its care, and wishes its administration abundant usefulness.
